THE TROSSACHS.—Birches by Loch Achray.

LLG093

TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

Birches by Loch Achray. Not least amongst the attractions of Loch Achray are the charming birch woods on its banks. At the head of the lake the country is covered with silver birches, dwarf oaks, bracken and heather aglow with every variety of colour, set off by the bold and rugged crags and mountains in the background.

(FOR ADDRESS ONLY.)
